

## TSANet EMEA Regional Committee

Invitation to all TSANet members to join the next Regional Committee  
Conference & WebEx Call

Tuesday 13<sup>th</sup> April 2010  
14.00 (UK) 15.00 (CET)

### **Goals and Objectives of the EMEA Regional Committee**

- Regular networking opportunities primarily through regular monthly conference calls with founding committee members and EMEA members of TSANet.
- Sean Bucknall and Rainer Zielonka (TSANet Global Board) will take input and comments to feed back to global TSANet board, acting as a conduit for regional participation and direction of the new global TSANet.
- Plan and hold events for EMEA members in mainland Europe and UK. EMEA members will be consulted and their ideas/suggestions will be considered the basis for the agenda for the meetings and events.
- Initiate work-groups to collate ideas for business and service offering opportunities. Evaluate current offerings and work to improve/increase and expand in the future.

To join this call and receive the dial in details or to be added to the invitation distribution list for future calls please email [stephanie@tsanet.org](mailto:stephanie@tsanet.org)
